About the Author

Michael Davies, who lived from 1936-2004, was a Catholic writer who authored various works following the Second Vatican Council, in addition to unifying Una Voce America, a conservative group. Previously an Anglican, he converted to the Catholic Church in the 1950s, and went on to compose such works as The Liturgical Revolution, The Order of Melchisedech, Partisans of Error, For Altar and Throne, and The Wisdom of Adrian Fortescue. Upon Davies' death in 2004, Pope Benedict XVI called him a man of deep faith who was ready to embrace suffering. His Holiness went on to say, "...We can be confident that the Lord opened wide for him the gates of Heaven. We commend his soul to the Lord's mercy."

A SHORT HISTORY OF THE ROMAN MASS BY MICHAEL DAVIES PDF

A short, authoritative, enthralling history of the Roman Mass from the Last Supper to the "Tridentine Mass" as said today. Covers Low Mass, Sacramentaries, other Western Rites, etc. Highlights the reforms of Popes St. Gregory the Great (590-604) and St. Pius V (1566-1572). Says neither "reform" produced a "new" liturgy.

Development of the Roman Liturgy

By M. A. Ramos

In this well written booklet, Michael Davies does a wonderful job of giving a compact history of the Roman Rite Mass. His coverage takes us from the Last Supper to the Traditional Mass as it is said today. We also get an explanation on the origins of the Low Mass.

He goes over the reforms of Pope St. Gregory the Great and Pope St. Pius V. Which shows us how the liturgical texts were always treated with great respect and any changes were minor. And it remained so until 1970 when radical changes were made.

Read this book and you will gain an appreciation of the Traditional Mass, known as the Tridentine Mass.

Both History and Apology

By Edward J. Barton

Both a history and an apology (in the literary/rhetorical sense), this very short (60 pages or so) book describes the evolution of the Tridentine Mass, as well as the explanation tracing it back to as early as the 4th Century. The apologetics as it pertains to other rites, the Eastern Orthodox, the Protestant Reformation and the 1970 Novus Ordo make it much less of an unbiased history and much more of a religious book. If

you have interest in the subject, it's an interesting background read.

Excellent overview

By P. Bergin

Davies is undoubtedly one of the most important figures in "Traditional" Catholicism in the English-speaking world over the past several decades. This overview, if oversimplified at times, provides the reader with a brief summary of the development of the Mass according to the Roman Rite from its roots in Apostolic times through the Early Greats (Leo and Gregory), the Renaissance standardizations (Pius V) to the implementation of the Mass of Paul VI in 1970. A great introduction for the casual reader.

The Catholic Sanctuary and the Second Vatican Council would make an excellent follow up. At about \$6 for both (less if purchased in bulk from the publisher directly) and about 100 pp. one cannot get a better, more affordable summary of the historic Mass of the Roman Rite or the present situation in which the Roman Rite finds itself.
