Confessions of a Rat Fink

By Kindle Customer

My wife hates this book, but I absolutely love it. I grew up with the "Rat Fink" and reading this book was like reliving my younger days. Big Daddy tells his secrets about the Rat Fink cartoons and the hot rods that he made. I bought my copy from the Big Daddy himself and he autographed it for my son. My son did not even have a clue about a "Rat Fink" was but he wanted to buy one of the t-shirts. He thought they were "awesome". For you old timers like me, thats "groovy".

Confessions of a Rat Fink, The Book

By fastedie

This is a great book on Ed "Big Daddy" Roth. It has all the history of his very beginnings and all the things he created including Rat Fink. He talks about all his business dealings of licensing his many products, his car shows, his T-shirts, building his custom cars, motorcycles and so much more.

I met Ed Roth at a Tulsa Car Show and I traded a book I did on Dennis Wilson, the late drummer of The Beach Boys, for some of his monster/car prints which he signed for me.

Confessions of a Rat Fink is a great book on Ed "Big Daddy" Roth.
