oops

By Cynthia Warren

This is not a fair review, because this isn't what I wanted, I thought this was some dvd's of the program, not a textbook.

Great series - Crossroad Cafe

By Elizabeth A. James

Crossroads Cafe is the best video series I know of for English learners. When I started teaching ESL, I imagined that there would be many similar products to choose from. What better way to learn than by

watching videos just like on TV? But it is expensive to produce, I guess. You can now watch the full-length episodes online, and use these books to study along with the series.
