BY BLAIR AMOUR PDF

What happened to me? The summer before I attend the most prestigious music school in the country should have been one of the best of my life. Instead, I'm here, in a crib, with a stranger that wakes me every morning with the same question. A question to which I do not know the answer.

I am here for rehabilitation. At least that is what I was told. But, it has become so much more. A fire burns inside of me whenever I think of his haunting green eyes, the smooth commands of his voice, the touch of his hands -- his lips. He says I am here to become my true self, and he will either be my savior or my demon. To him, I am no more than his ward. A little to be trained and molded at his will.

I'm falling and he is the only thing I have to hold onto. In a mansion by the sea, will I finally feel the love and all consuming care I have been missing? Will I find my true self with his firm guidance or will Daddy's way lead us somewhere neither of us could have imagined?

This steamy ageplay romance contains scenes of daddy dom, diapering, adult baby, spankings and mature themes that may make some readers uncomfortable. All characters are over 18 and of no familial relation.

Just a tad short

By ME

Well written, easy to follow, erotically intense. I wish it was longer, but in this genre you do pay a premium for a low word count.
