Four books in one!

“Reality is found in Jesus Christ.” When Paul said this to the Colossians, he was drawing a line between the shadow of religion and the authentic substance of a life-giving Savior. Religion says it’s about you, but the gospel of grace declares it’s all about him. Religion says “Do, do, do,” but the good news declares “It’s done, done, done!” For too long the world has been bound by the endless demands of dead religion. True freedom is found in knowing the One whose yoke is easy and light. This collection of 60 articles from the award-winning author of The Hyper-Grace Gospel will liberate you from the bondage of performance-based living. It will cause you to marvel at the goodness of God and lead you to revel in the reality of his love and favor!
