## PDF

Unwanted from birth and abused throughout her childhood, Glenda was desperate for love and a sense of belonging. Her only respite from a miserable home life was school, and the welcoming shade of her favorite willow tree, under which she would dream of another life, another family, and pray to a God she did not yet know.

Ultimately, Glenda's afflictions became the cords with which God drew her to Himself. Receiving His salvation, she understood that God had saved her from her own sinfulness, more than horrid conditions and treatment by others. This is a story of great hope, an amazing account of how our merciful Savior brings light out of darkness, joy out of sorrow, and peace out of pain. Highly recommended by Elisabeth Elliot.

God's grace overcomes even such horrible tragedy as an incest

By Julie Petrecka

It is very moving and clear story. It astonished me how God can use such a leaflet. It moved me to tears when she wanted to share her new faith with someone who would understand her and the pastor on the telephone knew immediately what she needed. God's grace overcomes even such horrible tragedy as an incest.
