A Great Value for all !

By Wilfredo Rosario

These 3-in-1 editions of Viz manga titles are a great buy for those just getting into titles like this! Manga titles like Naruto takes some getting use to, but it's worth it. Looking back, Naruto is a a well written but criminally underrated title what with the usual attractors feeling they have duty to bash and criticize a title they are not familiar with a manga like this. I highly recommend this for lovers of comics and cartoon art alike! Enjoy readers!
