Slim, Trim, & Condensed

Love, Love, Love Johnny Fincham's *Spellbinding Power of Palmistry* book, or *Apprentice to Pro*. Absolutely adore his writing style and candor. Was thrilled to see a "New" book come out.

For the money - I would recommend the books above, as the *Spellbinding Power of Palmistry* is packed w/ a lot more info. This book is only 68 pages. With the exception of perhaps a few more detailed pictures & clarification(s), there's very little in the way of any "new info." Majority of it is contained within his other books. This seems to be a condensed version. If you're new to Hand Analysis & want a quick, condensed version, this is OK. Myself I prefer more indepth info & was looking so forward to 'new info.'

Otherwise Johnny Fincham's books are top notch & well worth the money. Love the cover on this pamphlet-like book, a bit disappointed, no new tidbits to learn from. 'Cest la vie~
