So through this, be an excellent visitor currently!

# RISE OF THE OLYMPIANS (VOLUME 1) BY BELLE WARD PDF

"A swicked adventure that will leave you smiling and wanting more." -HM Ward, New York Times Bestselling Author

There are no minor gods.

Lilah Jones is officially thirteen. Unfortunately, the day comes with a few twists she didn't expect. For example, her hair turned into a living rainbow and she was gifted with a golden necklace that randomly goes from being room temperature to as hot a supernova. On top of that, she has a dream that she remembers line by the line when she wakes up.

Seeking answers, Lilah meets two boys, named Cole and Adrian, who gladly clear things up. Remember the Greek myths you assumed were fiction? The old gods that you assumed were just someone's imagination? You were wrong. They've been with us the whole time, fighting battles we didn't even know existed, and they've returned. The Olympians are reuniting, preparing to fight the most dangerous battle they've ever faced.

The Father of Monsters is rising.

Genre: MG/YA Paranormal Contemporary Greek Mythology Adventure

Type: Novella, 1 of 6

Oh my.....Greek God!!!

By Heather L. Reynolds

I read all about the Greek gods when in high school and college. I enjoyed the stories, but have to admit that they can be rather dry. This book was wonderful. Belle has written a book that will open the world of Greek mythology to a whole new generation. I found it a really interesting read and the characters wre very engaging. I am already looking forward to her next volume. Good job Belle!!!

Fantastic break out novel!

By Amazon Customer

I have to give this book five stars! First off it was written by a 14 year old, for 14 year olds! It was entirely colorful, adorable, playful, and age appropriate. It is not often you get books that actual 14 years olds should be reading in the young adult genre.

If I am being honest, Belle has a writer talent. She was born to weave clever stories about ancient gods being reborn. She brought the characters to life so well, and there were no plot holes! It was refreshing, clever, and fun to read. I instantly bought a copy for my daughters kindle and will be buying a copy for her school! I can't wait for the second book!!!!

\*I borrowed a copy from the Kindle Unlimited Program\*

Originally read on release date, amazon deleted my review

Fun and Enjoyable

By Reese's

Rise of the Olympians is a middle grade book written by an extremely talented young woman.

Lilah is about to celebrate her birthday. She puts clip on rainbow colors in her hair and gets cake, doesn't get in trouble at school and gets presents. One of her presents includes a beautiful necklace her father gets for her. Then she has a dream that tells her she needs to reunite the others to fight against an upcoming evil threat. Lilah thinks it's all just a dream and then she wakes up with rainbow hair and some boys are telling her they're Greek gods. Lilah's life just got interesting.

Lilah was a fun character and I really enjoyed her hyperactive charisma about everything. She doesn't freak out too much. I love how her character is totally correct in how she would act. Sometimes I get a middle grade book and some of the actions or thoughts the characters have don't seem realistic. Lilah was one hundred percent authentic which made the story for me.

I have to say Belle Ward takes after her mother with torturous endings that definitely leave you craving more. Can't wait for the next one.
