PreS-Gr 2—Sneezzy the Snowman is cold. In an effort to warm up, he drinks hot cocoa and subsequently melts. Now a puddle in the surrounding snow, he asks three children (and two playful cardinals) to rebuild him. Once complete, Sneezzy is again too cold, so one of the little girls gives him a hat. Unfortunately, it is not enough to keep him warm. He attempts a dip in a hot tub only to once again melt and be rebuilt, and adorned with an additional garment. He has a similar experience involving a campfire. This time, however, the snowman gains a coat. Now he's too hot. At last, the children get him seven scoops of ice cream and he reaches a happy medium. The repetitive, rhyming text reads well. The bright, cartoonlike illustrations are hand drawn and colored in Photoshop, and the small details will reward those who have a close look, particularly at those cardinals. This new take on a popular seasonal theme should find a warm audience during cold months. Laura Butler, Mount Laurel Library, NJ

Even snowmen get chilly sometimes, and on a particularly blustery day, Sneezzy just can't stop shivering. With his own ingenuity and the help of three multicultural children, he tries cocoa, a hat, a hot tub, a scarf, a campfire, and a coat to warm up, but with each attempt, he melts, and it's up to the kids to build him up "brand new" again before yet another puddle can form. At last, the kids realize that ice-cream can play a key role as a temperature-regulating agent. The rhyming text keeps the snow show moving along at a brisk, bouncing pace, and the series of problems and solutions creates an entertaining, recognizable pattern. The large digital illustrations are colorful and uncluttered, and they slyly integrate the additional antics of two boisterous cardinals, who cavort along with Sneezzy until his happy, Goldilocks-like proclamation, "At last! I feel just right." Although not a necessary purchase, this may be just the thing to freshen up wintry storytimes. Preschool-Grade 2. --Andrew Medlar

Kid tested, mother approved

By C. Mickiewicz

I am pretty picky when it comes to winter or Christmas books. I like to find books that focus a little less on Santa & more on love & kindness & the spirit of the season. I really enjoy this one & the kids have a lot of fun with it too. I read this story along with a snowman game at my kids' preschool & 1st grade class parties this past year & it was a big hit with both age groups. The kids like the fun repetition of the story & they like to do big exaggerated sneezes along with Sneezy. I liked that the children in the story all share their things with Sneezy. One girl even gives Sneezy the coat off her back. So the kids get a fun story & mom gets to talk about the importance of giving. Win win!
