Perfect Introduction to doing business in China

By Timothy Lee

Such an easy-to-read and relevant book about ways of doing business in China! I purchased this book for my first time traveling to China last year, and it helped me tremendously. From how to act/speak during business dinners to common occurrences that you'll run into in ever day life, this book had all the essential materials that I needed! I was able to download it immediately on my Kindle and read the content on the plane to China. Everything could not have gone better - thanks for the read! At \$4.99, it's seriously a steal.
