Traditional Chinese Medicine Cupping Therapy

By Sharon L. Parton

Comprehensive guide to TCM cupping therapy. Includes case studies and helpful treatment protocols. Very helpful for Massage Therapists who are trained in "Massage Cupping" TM.

Great Resource

By Michael Petro

This is by far the most complete resource on cupping that I have encountered.

The DVD is nice but the video resolution is quite low, would love to see better quality video.

Highly recommended, even though it is a bit expensive.
