Unencumbered, defined as being without burden is my first published book. It is a compilation of eighteen poems that depicts the highs and lows of relationships. This book is my story to the world. For the most part I would like to assume that everyone has experienced love. But to what degree? Unencumbered zooms in on the beginning stages of a relationship, it's foundation, and transitions to that of the ending of it. Encounters and actions that took precedence in the midst of a love that was destined to fail, two people who had hoped for so long that they could overcome and break down barriers just couldn't seem to grasp on any longer. So here lies two people who have mutually decided to separate and moving on towards different endeavors. In their journey to finding themselves one person seems to have more difficulty with the breakup. This leads to a conquest of her own questioning what went wrong in their relationship, an immense amount of guilt and regret, and trying to rediscover her own self identity once again. Once she realizes that it begins with forgiveness she then becomes "Unencumbered".

THE LITERARY DEBUT OF A GIFTED ARTIST

"I just finished reading Darielle Cofield's literary debut, 'Unencumbered' and I was utterly impressed! Rarely have I run across such a bountiful blessing of poetic eloquence.

I was introduced to Darielle about a year ago and have received a rare gift by watching this phenomenal poet transform into an artist who is quite frankly going to dazzle the entire world.

From her first poem, 'Unencumbered' to the final piece 'Empire' the artist gives a rare glimpse into her fiery arsenal and even more importantly gives a fleeting glance into her soul.

It's this rare touch of bold honesty & open vulnerability that will continue to set Darielle Cofield's literary career away from others. It takes not only a poetic tongue, but a soul that has truly known happiness, pain, romance & ultimately redemption to write as beautifully as she does.

In conclusion, there is an old saying that 'You make this look so easy.' Darielle Cofield takes the most beautiful poetry and places it in the context where not only do you learn more about her and her life, you also learn a bit more about yourself as well. That's the greatest gift an artist can give to his or her audience.

Darielle Cofield does this with breathtaking ease. This rare touch of bold and beautiful honesty will set her apart from other poets/authors for many years to come.”
