Be Prepared to Be Scared!

By Jeremy Robertson

If you think Halloween couldn't get any weirder than this, then you must be dead wrong! After two kids stumble into Jonathan Chiller's shop in HorrorLand, they soon discover that a magical Floig (a stuffed animated creature with buggy frog eyes) belongs to an alien called a Weirdo, whom they later meet in the real world, where the two kids, Meg and Chris, are in serious danger. When the children discover that Bim the Weirdo feeds on human emotions, they realize how easy it will be to make the pesky alien disappear forever. After Bim returns to his home planet, Meg returns to HorrorLand on Halloween to play a scary game for Jonathan Chiller. If she wins, Meg gets to go home. But if she loses, she must stay in HorrorLand

forever. Someone is stealing Meg's identity. It turns out that the Meg's twin is a robot and so Meg returns safely home where she belongs with her family and friends. What does Jonathan Chiller have planned for all of these kids who will return to Jonathan's Chiller House to collect their payment? Find out in the next story ark! And prepare to be scared!

Good, actually great!!!

By A Customer

So there is this girl, and her name is Meg. She's twelve years old. She and her brother Chris get invited to Horrorland, "Where Nightmares Come To Life!". There they go to Chiller House, owned by Jonathan Chiller. Meg gets a Floig, a small, green doll whose eyes pop out of their sockets, and a little Horror. When Halloween comes, Meg and Chris find a little boy in an orange alien costume who wrecks their house. Meg starts to suspect that the orange skin is NOT a Halloween costume.....

Finally, when Bim, the alien's name, leaves, Meg is mysteriously called back to Horrorland by Chiller. She then plays a game called "Double or Nothing". In the game Meg meets a phony her. A little later, Chris comes. He thinks that Fake Meg is his sister, not the other one. It happily and madly turns out that Fake Meg and "Chris" are robots made by Chiller. He sends Meg back home. When she gets home, and goes upstairs to her room, she finds Fake Meg in there!!!!!!

GREAT JOB, R. L. STINE!!!! I LOVE THIS BOOK!!!

Double Size Horror

By Coffee Addicted Writer (Billy)

In this extra long Goosebumps novel, Meg and her brother Chris return from a trip to Horrorland. They are both excited about Halloween, until they get an unexpected visitor at the door. At first, they believe it is a kid dressed in an alien costume, but soon realize it is an actual alien named Bim.

Suddenly and mysteriously, Meg and Chris are transported back to Horrorland. They are chased by robots, Horrors, Goblins and Jonathan Chiller. How will they survive?

Wow! Weirdo Halloween is twice the size of a regular Goosebumps book, and it is weird. Aliens, Goblins, and robots are thrown into this original Halloween tale, with a few twist and turns and a strange cliffhanger ending. It is a chilling read!
