Solid, Biblical Foundations on the Holy Spirit

By Awaken the Dawn

I was almost astounded at how much scripture is packed in this book. I have rarely read a Christian book that has so many scripture references to back everything up, which I really prefer them to have so I know the author is not just coming up with their own opinions. If you want sound, hard, scriptural foundations on the Holy Spirit that really will help you understand Him and how He operates, read Welcome Holy Spirit.

Just a note, I didn't buy this book because it was a Benny Hinn book, I was just hungry to learn about the Holy Spirit. I didn't know pretty much anything about Benny Hinn when I bought this. And anyway, this book really isn't about Benny Hinn at all. It's about the Holy Spirit.

This really is the companion to "Good Morning, Holy Spirit". I intended to read Good Morning first, but this one shipped before it and I couldn't wait. Really though, it's best to read Good Morning first, then this, because Good Morning is an introduction to person of the Holy Spirit, while this book really dives into the scriptures on more the attributes of the Holy Spirit. I read this one first, read Good Morning second, then when I went back to this and read it again I understood alot better. Read both books, you won't regret it! I read them and my walk with Jesus has been completely transformed! These books will introduce you to the PERSON of the Holy Spirit, "the Helper" who guides you and causes you to walk with the Lord so much better. He helps bring God from being the "pie in the sky" to being your personal Friend and Guide. I think every hungry Believer needs to read these books.
